NeSA Student Individual Reports This week, students in grades 4-6 will be bringing home their individual reports from the spring 2017 NeSA testing session. Included with the report is a letter to parents and guardians explaining the results of the testing and changes that have been made to the statewide testing process. The video link below provides further explanation on how to understand your child's report. Please review the results with your child and contact the school if you have any questions.
