## WINSIDE PUBLIC SCHOOL MISSION

Winside Public School provides all students high levels of learning to be college and career ready in the 21st Century.

The flu season is upon us, and this year has really had a significant impact on people. Please remember that your child will need to stay home from school if they have the following symptoms:

- 100 degree temperature
- Vomiting
- Diarrhea
- Rash

Your child may return to school after they are free of symptoms for 24 hours without any medications. We want to keep everyone as healthy as possible and appreciate your cooperation in this matter.

The Winside Fire & Rescue Department will be hosting a "Pancake, Omelet, & French Toast" breakfast on Sunday, February 11th from 8 a.m. to 1 p.m. at the Winside City Auditorium. A free will donation will go toward updating equipment.

## Math @Home

**Money's Worth #2**  
Provide a pile of change and invite your child to show you how many different ways he or she can use those coins to make 10 cents, 25 cents, 30 cents, 40 cents, or 50 cents. For older children, name the price of an item (for example, 79 cents) and have the child count out the coins that would be given as change if you paid for the item with a dollar bill.
