

The Wildcat Weekly

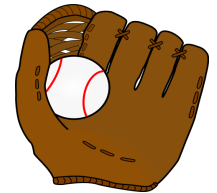

Winside Elementary School

APRIL 16, 2018

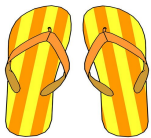

WINSIDE PUBLIC SCHOOL MISSION

Winside Public School provides all students high levels of learning to be college and career ready in the 21st Century.

Winside Summer Rec baseball and softball will be starting up soon. Please contact Marshawn Gubbels at 640-1289 or marshawngubbels@gmail.com if your child is interested in playing this summer. We will have t-ball, 8u, 10u and 14u baseball teams as well as 8u and 10u softball teams this summer!

"Like" our Winside Summer Rec Facebook page for more information and updates!

SHOE ATTIRE..... The most appropriate type of shoes for elementary students are tennis shoes or another sturdy, form-fitting shoe. Flip-flops are not school-friendly, as we see many injuries to toes, and they tend to break more easily. In addition, tennis shoes are required on P.E. days.

SPRING MUSIC CONCERT..... The elementary spring music concert will be Monday, April 30th at 7:00 pm. Students need to be to the school by 6:45 pm. More details will be sent home from the the music teachers.

GET SCHOOLED IN MATH April is Math Awareness Month. Ask your child's teacher for suggestions on math games and online activities. Another resource is the National Council of Teachers of Mathematics: nctm.org/resources/families.aspx.

Simply Symmetrical #2
A shape is symmetrical when two halves of it are exactly alike. For example, a heart and a butterfly are symmetrical because, when folded in half, their left sides mirror their right sides. Cut out a magazine picture that is symmetrical. Cut it along the line of symmetry. Paste one half of the picture on the paper. Have your child draw the missing half.
